`Sing together, make friends and enjoy´, this was our motto for the first Choir Festival in 2012 to celebrate 20 years Gospel Choir Wildschoenau. Over 30 choirs from near and far accepted our invitation and made the event into an unforgettable experience for all who participated. We have had many requests to repeat this event and therefore we are happy to invite a wide variety of choirs from various countries to come and join us for the 2nd Festival of Choirs. We are looking forward to greeting different choirs and ensembles and to enjoy many hours singing together.
